## French Quarter Inn

<http://frenchquarterinn.com/index.html>

Located in the heart of the historic district on the banks of the majestic Ohio River, the French Quarter Inn offers beautiful accommodations in the charming section of Maysville. Each of our rooms has its own unique decor. Many of our rooms have a beautiful river view, entertaining by day and lovely at night when the softly illuminated bridge reflects on the water.

Stroll our streets and marvel at the diverse architecture, learn the history of our community depicted in the floodwall murals, and venture down to the riverbanks and relax on the park benches. Enjoy restaurants within blocks of the hotel, stop for a drink in our lounge or at the neighborhood pub, visit downtown shops for unique gifts, plan to see the best miniatures collection in the United States in our museum and end your day having experienced all the charm of a southern river town
